DECISION

Applicant's "Petition For Revival of an International Application For Patent Designating the U.S. Abandoned Unintentionally Under 37 CFR 1.137(b)" filed in the above-captioned application on 11 October 2005 is **GRANTED**.

Applicant indicates that the entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional, as required by 37 CFR 1.137(b)(3). The appropriate national fee and petition fee have been submitted. A terminal disclaimer is not required as the application was filed on or after 08 June 1995. Accordingly, all requirements under 37 CFR 1.137(b) have been satisfied.

Applicant has submitted a declaration in compliance with 37 CFR 1.497(a)-(b) and the surcharge for late filing of that oath or declaration.

This application is being forwarded to the National Stage Processing Branch of the Office of PCT Operations for continued processing.
